Message from Ping An Health

We are committed to making people healthier

Thank you for giving us the opportunity to look after your healthcare cover needs. Everything we do is about making people healthier. We're not a health insurer who is here only when you become ill – we're health improvers who are also here to help you live life well.

We have designed this guide to provide you with a summary of how to get the most out of your relationship with Ping An Health. The information contained in it applies to the primary insured and the dependents registered on their policy. Please read your policy schedule for the rules that apply to your benefits.

HospitalDirect, China's largest direct billing network, provides a hassle-free hospital experience

Ping An Health gives you access to China's largest direct billing network and world-class service through our deployment of well-trained Ping An Health employees to assist you when you or dependents are in hospital. Within this network, we settle your inpatient or outpatient medical expenses directly with the hospital, saving you the trouble of making large cash payments upfront and submitting claims material. Our strong medical network relationships in the industry also mean we can help you access the best care in China, wherever you may be.

We offer unparalleled service and dedicated support

We offer personalized services and support to help you navigate the healthcare system, and enable you to lead a healthier lifestyle. Ping An Health is committed to providing excellent service at every interaction with our clients. You can contact us 24 hours a day, 7 days a week, all year round using your preferred method – call center, website or written correspondence.

Enjoy the healthy life and health rewards brought to you by Vitality

We introduced the Vitality program, the biggest scientifically-based health promotion program in the world, to help you improve your health. The Vitality program encourages you to understand your health and rewards you for doing so.

We look forward to being there for you and your family.

Network hospitals

HospitalDirect gives you access to the best care through a broad network of quality hospitals

Ping An Health HospitalDirect is the largest direct billing network of 3A (highest grade) public hospitals in China. Within this network, we settle inpatient or outpatient medical expenses directly with the hospital, saving you the trouble of making large cash payments upfront and of submitting claims material.

Our hospital network covers 37 cities in Mainland China and 40 cities in Greater China.

Type of hospital	Grades	Definition
Standard hospitals	Type I	General departments of public hospitals: these include general departments of medical facilities locally and legally registered in mainland China.
	Type II	VIP departments of non-luxury public hospitals and non-luxury private hospitals: these include medical facilities locally and legally registered in Mainland China (excluding Type I, III and IV hospitals).
Select hospitals	Type III	VIP departments of luxury public hospitals and luxury private hospitals: these include VIP departments of luxury public hospitals, medical facilities locally and legally registered in Mainland China, as well as medical facilities locally and legally registered abroad (including Hong Kong, Macao and Taiwan) (excluding Type IV hospitals).
Luxury hospitals	Type IV	Luxury hospitals (expensive hospitals).

We offer different benefit ratios for different hospitals. For details, you can call 400 883 3663 (option 2), log into our website www.health.pingan.com, or contact your Ping An Health account manager or relevant staff at your employer.

The charges of some hospitals are more expensive. Please make sure that you understand your coverage before you visit them to avoid expenses that may not be covered.

12.常见问题 FAQ

Q: 如果我离职了，我还会有保障吗？

A: 建议您与投保企业相关联系人咨询。企业如果申请退保，您与连带被保险人的保险都将终止，请将直接结算卡归还至企业相关联系人处。

Q: 网络医院的普通门诊可以使用直接结算吗？

A: 直接结算仅在网络医院内的指定部门提供服务，通常是特需部或国际医疗部，请参考网络医院内的具体地址。

Q: 我忘记带直接结算卡或有效证件怎么办？

A: 我们建议您先支付相关医疗费用，收集相关材料申请事后理赔。

Q: 我发现我直接结算卡上的信息错了，怎么办？我的证件号码更新，怎么办？

A: 请与投保企业相关联系人联系，向我司提出个人信息变更申请，我们会尽快完成更正并下发新卡。新卡到位之前，如有需要就诊，请先使用事后理赔。

Q: 卡遗失了怎么办？

A: 建议您致电95511转7，我们会尽快为您重新制卡并下发。无卡期间，如需就诊，请使用事后理赔。

Q: If I resign, will my coverage continue being valid?

A: It is advised that you consult the relevant staff of your employer. If your employer applies for policy surrender, both your coverage and your dependents' coverage will terminate; please return your direct-billing cards to the relevant staff of your employer.

Q: Is direct-billing service available for regular outpatient departments of network hospitals?

A: Direct-billing service is only provided in designated departments (usually, VIP departments or international medical departments) of some network hospitals. Please refer to the detailed address of network hospitals.

Q: I forget to bring my direct-billing card or valid ID card. What should I do?

A: We suggest you pay the relevant medical expenses, collect relevant materials and file a claim after the visit.

Q: I found the information on my direct-billing card is wrong. What should I do? My ID card number has been updated. What should I do?

A: Please contact the relevant staff of your employer to file an application with us for change of individual information; we will process it as soon as possible and issue a new card. Before you receive the new card, if you need to visit a hospital, please pay first and file a claim later.

Q: My card is lost. What should I do?

A: It is advised that you call 400 883 3663 (ext.2) and we will make a new card for you as soon as possible and sent it to you. Before you receive the new card, if you need to visit a hospital, please pay first and file a claim later.

Q: 为什么我会有欠款？

A: 直接结算期间，医院不能准确判断保障责任，所有材料后期都经过我司理赔部审核，如有非保障责任范围费用，即属于追缴。

Q: 为什么我会收到医院的账单和平安的账单？

A: 大部分私立医院的追缴由医院负责，其他医院的追缴会由平安健康险系统向您留存的电子邮件发送结案通知邮件，您可以在医院向驻点缴费，也可以与您的客户经理联系转账支付。

Q: 我如何支付欠款，有什么注意事项吗？

A: 还款方式有以下几种：

- 1) 根据理赔结案通知书上的还款银行转账
 - 2) 可以在我们有驻点的网络医院联系驻点人员还款（建议提前查询驻点工作时间）
 - 3) 前往机构上门还款
- 请注意，转账时务必在备注栏里注明报案号与被保险人姓名

Q: 理赔款是以什么支付方式给付的？

A: 目前理赔款以人民币为货币单位，我们会使用您在理赔申请书上提供的帐户或系统内留存的帐户作为默认转账帐户。

Q: 为什么我的转账总是不成功？

A: 请仔细核对您提供的帐户信息，银行分行，户名的大小写字母顺序及格式都会引起转账失败，请务必提供与银行信息一致的帐户信息。

Q: What is the reason for my debts?

A: When you enjoy direct-billing service, hospitals cannot judge your coverage quite specifically. All the materials will be reviewed by our claim department afterwards. If there is any expense not covered by your policy, we have to collect the debt.

Q: Why did I receive bills from hospitals and Ping An?

A: Most private hospitals will collect bills by themselves, while other hospitals' bills will be collected by Ping An by sending a claim close notice by an E-mail to the mailbox kept in the PAH system. You can pay the bill in the hospital with on-site staff or contact your customer manager on bank transfer.

Q: How can I pay debts? Is there anything I need to pay attention to?

A: You can repay debts in the following ways:

- 1) Transfer money to the banks specified on Claim Close Notice;
- 2) Contact on-site staff in network hospitals for repayment (we suggest that you inquire about the working time in advance);
- 3) You may also go to a branch for the repayment. Please make sure to write down the case number and the name of the insured in the "Remark" column of your transfer voucher.

Q: How is the compensation paid?

A: Currently, the compensation is paid in RMB and we will take the account on your claim forms or the account kept in the system as the default transfer account.

Q: Why does my transfer fail?

A: Please carefully check the information provided including the account information, name of bank branch, and name of accountholder to make sure it is consistent with the bank information, and the information's uppercase or lowercase, its letter sequence, and the form of the information.

Q: 银行帐户信息如何更改？

A: 方式一：在理赔申请书的转账部分勾选“以下账户信息，授权保险公司留存，供理赔给付使用”；
方式二：通知企业相关联系人，在保单下申请个人银行信息变更申请。

Q: 我打算去国外家庭医生处就诊，但是医生通常只提供就诊费用收据，我能理赔吗？

A: 不能，病例是理赔鉴定保险责任的重要依据。建议您向医生索取含有具体主诉，诊断及治疗的病例，需要诊所提供一份具体费用明细清单，这些材料是我们判断保险责任的重要依据，缺少任何一项都可能因材料不全不予赔付。

Q: 为什么会出现需要我提供首诊病例的情况？

A: 提供首诊病历是为了明确客户就诊疾病是否符合保障责任范围约定，以便我司能更快更好地作出理赔决定，确保公司的赔付决定准确无误。

Q: How can I change the bank account information?

A: Method 1: tick in the box before "I hereby authorize the insurer to keep the following account information for claim settlement use" in the Transfer section of a claim form;

Method 2: please contact the relevant staff of your employer to file an application for changing individual's bank information under the policy.

Q: I am going to visit my family doctor who is not in China. Usually he or she only gives me a receipt after the visit. Can my expenses be reimbursed without a medical record?

A: No. Your medical record is important for our verification of insurance liabilities in the process of claim settlement. It is advised that you ask the doctor for a medical record that includes specific complaints, diagnosis and treatment as well as a list of expense details provided by a clinic. All these materials are important evidences to determine insurance liabilities. If any of these materials is missing, we cannot reimburse the expense.

Q: Why should I provide my medical record with initial diagnosis in some circumstance?

A: The medical record with initial diagnosis can help us to determine whether the disease should be covered according to the agreements on insurance liabilities, so as to facilitate us to make the right adjudication.
